

Messages from Gareth Jones, CEO Malvern Special Families

To all Parents and Carers,

We appreciate how challenging these times are for you all. Some of you have paid in advance for clubs already and you will be able to be reimbursed or carry forward that money to play for the clubs when they re-open. Nobody will be charged for clubs that were cancelled. We will contact you so you can let us know what you would like to do. Even though our clubs are temporarily closed the unique community that is Malvern Special Families continues to thrive and it is humbling to see the messages of support you are sending to each other and to our team. Please contact me on ceo@malvernspecialfamilies.org.uk if you are worried about anything. We are here to help.

Kind regards, Gareth

Gareth Jones, Chief Executive Officer 8th April 2020
